CAPE WINELANDS - the most picturesque towns and their wine estates against the backdrop of some of the most breath-taking mountains.

The stunning scenery will make the game a challenge to your skills and a feast for your eyes.

2 rounds of golf at world class golf courses:

ERINVALE GOLF COURSE

Embraced by history and surrounded by the majestic Hottentots Holland Mountains, this Gary Player designed golf course has fast become renowned throughout the golfing fraternity both locally and abroad.

Erinvale was host to the 1996 World Cup of Golf and the South African Open. This course offers 2 different moods. The first nine holes are on flat terrain with challenging holes and water hazards while the next nine are on high ground.

PEARL VALLEY GOLF ESTATE

Currently ranked the '5th best course in South Africa' by Golf Digest, Pearl Valley was masterminded by golf legend Jack Nicklaus.

The course is truly in a league of its own - the design and aesthetic beauty, the combination of the deep, lush green on the fairways and greens, together with the brilliant white river sand lining the bunkers make this the most visually spectacular golf course in the country. Bunkers on Nicklaus's signature hole are renowned for being shallow, long and fairly un-daunting.

The best part of this experience - exploring Cape finest wineries where you will find delicious food, impressive wine collections, lots of laughs and time to settle all bets.
