A Diverse Safari of a Lifetime

## TREASURE OF **TANZANIA**

Tanzania is where you will experience glamping at its best and where the images you capture will possibly be some of the most "instagramable" and awe-inspiring ones even when you are not trying. Picture free-form infinity swimming pools set in the wildest of Africa, where the tented rooms, with every luxury and amenity of any modern hotel today, bring the outdoors of the vast wild Serengeti plains, in, where you experience amazing open-air dining with a distinct African flair and where you find an indulgent spa, offering Masaai inspired treatments you wouldn't want to miss.
