Day 3 Early breakfast and depart to **PEARL VALLEY GOLF ESTATE**,

Currently ranked the '5th best course in South Africa' by Golf Digest, Pearl Valley Golf Estates was masterminded by golf legend Jack Nicklaus and his unique touch is evident throughout the stunning course. In 2008 Pearl Valley hosted what many believed to be the most successful South African Open in history. During the SA Open, US Masters Champion Trevor Immelman was full of praise saying, "The course is in incredible condition, it really is. That's the way I expected the course to be, to a high standard, and they have always turned out a fantastic course, for the members day-in day-out. I really feel like these fairways; they are some of the best, if not the best, that I've ever played on".

Pearl Valley is truly in a league of its own - the course design and aesthetic beauty, the combination of the deep, lush green on the fairways and greens, together with the brilliant white river sand lining the bunkers was carefully planned to make Pearl Valley the most visually spectacular golf course in the country. The total length of the course is 6801 meters from the Championship tees and the members' length ranges from 4685 to 5876 meters. Bunkers on Nicklaus's signature courses are renowned for being shallow, long and fairly un-daunting. Every hole is played against the spectacular backdrop of the mountains surrounding the estate and all are challenging due to the strategically set bunkers and fast greens.

09:30 Tee off. Caddies available at your discretion. Golf cart on shared basis included.

After golf, transfer back the hotel to freshen up

19h30 Depart Dinner to The Big Easy Restaurant in Stellenbosch town (**dinner and wine a la carte for own account**)

The building has been gently and tastefully renovated to provide the **home for Ernie Els's new signature wine bar and restaurant**

A wide selection of more than 170 wines, some of which you can sample from the cellars of the owners - Rupert wines with L'Ormarins and Anthonij Rupert wines; Rust en Vrede; Guardian Peak; Ernie Els Wines and Audacia Wines.
